

Product Information

AVENO Turbo Diesel 10W-40

0002-000490

Description

Specially designed for diesel vehicles. AVENO Turbo Diesel 10W-40 is a semi-synthetic high-performance, smooth-running engine oil for carburettor and diesel car engines with or without turbocharging and direct injection. AVENO Turbo Diesel 10W-40 is characterised by its excellent cold starting properties, minimisation of fuel consumption, friction and wear. With AVENO Turbo Diesel 10W-40 a reliable and heavy-duty engine oil has been developed. Extended oil change intervals as per manufacturer's instructions.

Instructions for use

AVENO Turbo Diesel 10W-40 is an engine oil for year-round use, and is ideal for all modern petrol and diesel car engines. AVENO Turbo Diesel 10W-40 can be used in engines with the specifications indicated. The operating instructions of the automobile and engine manufacturer must be observed.
