AVENO Outboard 4-stroke 25W-40 BLUE

0002-000624

Description

Outboard 4-Stroke 25W-40 is a mineral engine oil with special formulation for 4-stroke outboard engines with injection according to NMMA FC-W (cat). Perfect lubrication and wear protection through special low-ash additives. Excellent corrosion protection. It is a blue-colored high-quality 4-stroke motor oil. Outboard 4-Stroke 25W-40 meets the requirements of the National Marine Manufacturers Association NMMA FC-W.

Instructions for use

Outboard 4-Stroke 25W-40 can be used in all outboard motors using the engine manufacturer's recommended mixing ratio, for which "FC-W (cat)" or "F-CW" oil is recommended. It can also be used for engines in seawater operation. The regulations of the engine manufacturer must be complied with.
