

Product Information

AVENO SP 10W-30

0002-000667

Description

AVENO SP 10W-30 is a semi-synthetic high-performance, smooth-running engine oil for gasoline car engines with or without turbocharging and direct injection. Extended oil change intervals as per manufacturer's instructions. It is characterised by its excellent cold starting properties, minimisation of fuel consumption, friction and wear. With AVENO SP 10W-30, a reliable and heavy-duty engine oil has been developed.

Instructions for use

AVENO SP 10W-30 is an engine oil for year-round use, and is ideal for all modern petrol car engines. It can be used in engines with the specifications indicated. The operating instructions of the automobile and engine manufacturer must be observed.
